

Distributor Service, Inc. is an industrial distributor wholesaler of decorative hardwood plywood, hardwood lumber, thermally fused melamine, high pressure laminate, wood finishes and stains, solid surfaces and other professional woodworking supplies. DSI is a distributor of these products to cabinetmakers, architectural designers and other professional woodworkers.

DSI has an exciting opportunity to join our growing team as an Architectural Specifications Representative in our Warren, MI location. This Architectural Specification Representative will call on the Architectural and Interior Design community in the Detroit and surrounding areas.

Duties include placing and updating Laminate, Solid Surface and other sample tools in Clients materials libraries, making effective feature and benefit product presentations to architects and design professionals, and tracking products when specified in construction projects from design through installation.

Architectural Specifications Representative Minimum Qualifications: • Degree in Architecture, Interior Design or related field • 1-3 years' experience working with Architects and/or Designers • Strong attention to detail • Strong verbal and written communication skills • Independent judgment and initiative

This is a career opportunity where excellent benefits and compensation package will be offered to the qualified candidate.

Full Time Salary Position Benefits Included: Medical, Dental, Life, Optional Life, Short and Long Term Disability and 401K
